*"I think that this is an **easy and very convenient** way to schedule an appointment, and I have **recommended it to my friends and also told my doctor** about it. Thanks for offering such a convenient way to schedule."*

*"I absolutely loved scheduling my own appointment, it was so convenient. I liked that I could so **easily see all the available appointments**, versus going back and forth with a receptionist trying to find a suitable appointment time. It was wonderful; I wish I could schedule all of my needed appointments this way!"*

*"Appointment scheduling is the way to go. It is **easy to do** and the **time savings at the collection site are just immeasurable**. Have done it before and will continue to schedule my visits in this manner."*

Appointments are encouraged
*Service will continue to be provided on a walk-in basis
at all of our Patient Service Centers during scheduled hours of operation*
