Permanent Life Insurance

Issued by Symetra Life Insurance Company

Universal Life Extra is a flexible premium life insurance policy that is guaranteed to stay in force throughout the life of the primary insured.

For most of us, financial obligations don't end after the kids are grown or the mortgage is paid off. For those who prefer steady, predictable protection for *when* they need it, Universal Life Extra can be a good choice. It's protection your family can count on for a lifetime.

Lifelong Protection. As long as you consistently pay the target premium on time, coverage won't ever change and your loved ones are guaranteed to receive a death benefit after you're gone. In addition, if you live to age 100 we'll help you celebrate the milestone by continuing your coverage without ever charging you another premium.

Adjustable Coverage. The death benefit¹ may be adjusted after the first policy anniversary as needs (or budgets) change.

Easy Payroll Deduction. No paper bills. No hassle.

Portable Coverage. If you leave your job or retire, your policy goes with you with no increase in rates.

Plan Features

- Guaranteed issue coverage for eligible employees up to four times your salary, to a maximum of \$250,000.
- Guaranteed issue coverage for eligible spouses available to \$25,000.
- The Accelerated Death Benefit Rider for Terminal Illness and the Safety and Transportation Benefit are additional features that are automatically included in your policy.
- Optional riders are also available.

¹ The death benefit elected will be discounted as it is an early death benefit payment and reduced by loans, loan interest and withdrawals.
